A bit about me:

I finished my education at Koege Buisnessgymnasium in Summer 2021. Afterwards I've had three gap years where I've worked as a ski instructor in the winter and in the Summer as a Warehouse worker or an Office assistant that also helped with a little bit of web content editing. In the summer of 2024 I started studying Multimediadesigner at KEA (Københavns Erhvervs Akademi). In my free time I like to spend time with friends, do strength training or do other physical activities. I'm cooperative, accommodative, and hard-working.
